## A Message From The Principal

Greetings,  
I'd like to thank the community, Advisory School Committee and school staff for the preparation and great food provided for the Potluck last night. There were delicious dishes and some great company. I felt both the potluck and question and answer session with the Superintendent candidates were very successful.

If you've been to the school this week you may have also noticed that we have quite a few visiting students and chaperones here. They're here from King Cove and Nelson Lagoon for their annual swim lessons at the Sand Point Pool. Please help them feel welcome during their visit. They all tell me they are getting great swimming instruction and are having a lot of fun. They head back home Sunday.

This weekend will surely be quite busy here on campus with our Jump Start basketball game and our 5th/6th graders vs. King Cove players and then the City League Basketball Tournament that will be going on. Please help to keep our school clean by observing the No Food & Drink policy while in our gymnasium and the No Smoking On Campus rules as well.

Please continue to keep an eye on the school calendar in the Friday Flyer for the numerous school events going on during these last weeks of school.

Have a great weekend.  
Principal Haslem
