## A Message From The Principal

Hello everyone,  
Testing week went great. All indications suggest that our students tested well. We were able to provide quality breakfasts every morning of testing and snacks were provided during the breaks. Attendance was outstanding, and we thank parents for taking this important testing week seriously. With your help students came to school on time and were ready to test. Thank you students for doing your best. Thank you Staff for all you did to make this testing successful.

Also, many of you may have noticed that the school gym is rather busy in the evenings with the new City League Basketball games going on. Listed on the back of the flyer are the posted game times.
