## A Message From The Principal

I am pleased to report that our Seniors are back from the Senior Trip, as are our Close Up attendee's. Our students are very fortunate to have the opportunity to take quality trips such as these where wonderful memories are made and remembered for a life time. I can assure you that there are fewer opportunities for both in the lower 48. Our students should be very appreciative to the Community of Sand Point, the Board of Education, the Borough, and District administration for making opportunities like these available to so many of our students.

Coming up is the two busiest weeks of the year. I encourage you all to get involved in celebrating and being involved in our students successes.

Please stay informed my monitoring the Friday schedule of events.

Have a great weekend.  
Principal Haslem
