Greetings From Mr. Lindquist !

When you are busy - time goes by much faster. At the Sand Point School, time is flying!

Last week most of our kids (myself and other staff) spent the greater part of three days at the Sand Point Silver Salmon Derby festivities. What a great way to meet all the folks and hang out with the kids and their families. Numerous raffles, hot pretzels, nachos and a huge bake sale went along way to support Students' activities. Thank You! What a tremendous show of support for our kids!

This weekend senior and junior high harriers will run at our District X-Country race in King Cove. Also the Junior High Basketball teams will travel to play District Rival - King Cove. Junior High sports teams have to raise all the money needed to travel. We couldn't do that without the support of our community. For one week of practice the City of Sand Point allowed us to use the city gym. Thank you!

Have you heard about 3-1-8???

The "3" -- Students go out into the community 3 times, either into a Parent or Elder's home, or a neutral location like a community center, and have an adult read to the class or tell an oral story or two.

The "1" -- Take 1 of the 3 above and use it to accomplish some actual in-class reading and writing objectives.

The "8" -- Have parents and/or Elders come into the class 8 times and read to the class or tell an oral story or two.

You should be expecting a phone call from our Advisory School Committee in the next couple days or so. The reason for that call will be to ask your support for our Back to School - Success Night. There will also be a potluck. There will samples of student success and a great chance to visit your child's classroom and meet their teacher and the principal. We are looking forward to seeing you there. We want you to be an integral part of Sand Point School - A place where student success is normal. We are proud of what our school is doing!

Each day we feature a STAR Student during morning announcements. This last week we have had students honored for great academic accomplishments, Sharing with a fellow student who did not have any lunch, opening doors for others loaded down with gear and even one young man who gave up his seat on the bus to a young lady - chivalry is not dead!

It is my pleasure to serve as Principal of Sand Point School!

Dear Community Members, Friends, and Families,

Once again you have helped to make our third grade Milk Carton Boats a success.

With the cartons you collected and the various roles of support you provided the fourth annual student launch and harbor crossing was safe and successful. Two vessels were constructed for a buoyancy 368 pounds each, or double the capacity of students carried. Many, students, parents, and community members came out and supported our students in their effort. The sun even made a wonderful appearance for the event.

We the third grade want to say a special thank you to Jason Bjornstad for lifeguard, water safety instruction, and launch support; to Todd Crist for boat transport and support; to Karen and Joe McMillan for skiff and emergency response support; to the many Eastern Aleutian Tribes staff members for being on hand to provide emergency response and ambulance support, to the City of Sand Point for allowing us to float our boats in the Harbor, to George Cromer for providing additional paddles and support, to Amy Eubank for cutting cardboard for our raft surfaces and support, to Hillary Nyberg for supporting student construction, to the many staff and family members who came and took pictures, and to our many staff, family, and community members who collected, cleaned, and gave us milk cartons. Thank you again to the Sand Point School and Aleutians East Borough School District for allowing us to participate in this fun and educational buoyancy experiment in such a real way.

Once again my students and I learned so many things about our great community, team work, the scientific process, buoyancy, and the forces of nature.

Thank you all,
Mrs. Cumberlidge and the Third Grade Class

READ a Book - Watch a Movie

Young adults between 14-18 come and sign up to participate in the new program. Books that have been adapted to feature films have been selected.

All you have to do is read the book, come and watch the movie and talk about it.

You get to keep the book, get a copy of the movie and have a chance to win a Kindle.

Snacks will be provided!!!

Hunger Games is the first book of the program. Come to the library on September 29th, 2012 @ 6:00 p.m.

Thank you,
Ms. Marta

Yearbooks Are For Sale!

Stop by the school office to purchase a yearbook today! You can also contact Marc Donadieu to purchase one. Yearbooks cost \$25.00 each.

Mr. Reilly welcomes students to 'Extra Help Saturdays'.

He will be in his classroom from 9-11:00 every Saturday morning, to help any 5th or 6th grade students with lessons as well as give them an opportunity to make up any missed homework or class work. There will be a Cheerios break at 10:00, and I-Pad free time will be from 10:15-11:00. Mr. Reilly reminds parents that he distributes a grade sheet every Monday, and to drive their child to 'Extra Help Saturdays,' if they feel their child's grades are not satisfactory.
