## A Message From The Principal

Hello,
We have had many fun and exciting events occur since my last report. I am proud to announce that the winners of the District Battle of the Books at the high school level, was Marissa Williams, Jillian Bjornstad, and Chloe Gardner. The winners of the 5th-6th grade category was Brittany Gardner, Joseph Ortega, and Griffen Lee. Our teams will now go on to represent us at the State competition. Great job!

Also, this week, our staff and students participated in the State sponsored School Climate and Connectedness Survey. It is a survey that assesses various indicators of a quality school and compares our school with other Alaska State Schools. Last year we scored very well, and we expect a similar outcome from this survey. That is a feather in the caps of our teachers, students, and staff. Keep up the good work!

On February 14th, we held a Valentines dance at the recreation center. It was well attended and all had an enjoyable time. Fine job Mrs. Meinert and Student Government students!

On February 16th we held our Sand Point School Science Fair. I am certain that all would concur that it was a huge success. Our student's projects would stack up with any in the nation. Our high school winners were 1st place Keomi Chrim, 2nd Lanie Kuchenoff, and 3rd Jolan Rotter. Jr. High winners were 1st place Jillian Bjornstad, 2nd Sylvanna Morris, and 3rd Joe Ludvick. Elementary winners were 6th grade Griffen Lee, 5th grade Brittany Gardner, 3rd grade Steven Galovin, and Eliana Tijerina. They were fantastic projects. We are all proud of you!

This was a week of celebrating student academic success. These great triumphs give meaning to our teachers decisions to become educators, and make parents proud. Well done!

Also, don't forget to come and support our team Friday 17th at 6pm for some great Sand Point vs. King Cove basketball.

GO EAGLES !!!

## IT WAS THE BATTLE OF BOOKS!!!

After one of our biggest snow blizzards in Sand Point our students returned to school all ready to go for the District Battle of the Books.  A Battle of 54 book titles was fought amongst the best of our readers.

We had tiebreaker rounds with more questions than the regular 16-battle questions. Concentration and staying on the top of their game our high school team came out with a glorious victory. Our 3rd-4th grade team needed to give the victory flag over to Cold Bay. The 5th-6th grade team was declared the winner without a battle because there was no competition from the entire district.  The 6th-8th grade team showed good effort of working together during their battle and  were edged out of being the winners by one question.

I was very happy to see these kids to do the battles.  I'm proud of their performances.  I hope they all continue to read, because as I always state the truth of the fact: "READERS ARE WINNERS!"

Our teams that battled were:
Edmond, Eliana, Logan, Acey, Jermaine for the 3rd-4th grade, Brittany, Griffen, and Joseph for the 5th-6th grade, Dantezza, Wolf, Payton and Ashlyn for the 6th-8th grade and representing the High School
was Jillian, Chloe, Marissa W.  (Geoff may join them at the State Battle)

Good luck with the State Battles and all future battles!
