## A Message From The Principal

Hello again,  
This week has been stamp out bullying week. Our students have dressed in various different colors all week to show their support for stopping this destructive act. We will also have an assembly on Friday afternoon to further emphasize our commitment in that regard. In addition, our staff is being in-serviced on bullying prevention Friday after school. I would encourage you as parents, guardians, and community members to help support this important effort as well.

I would also like to recognize five of our students who won various competitive contests. Nikki Gundersen was selected as the winner of the "Legislative Fly In" essay contest. As a reward she gets to fly into Juneau next month to experience how government works. Similarly, Edwin Gundersen and Nathan Nelson were the winners of the "Alaska Young Fisherman's Summit," which is also held in Juneau next month. They will be involved in meetings that are important to the fishing industry. Nathan is from Nelson Lagoon and has been visiting our school for a short time. Also, we had Troy Bousley and Marissa Williams win the Idida Podcast contest sponsored by KSDP and the AEBSD. Troy won the grand prize of \$200.00 and Marissa received an iPod Nano for taking second place. I congratulate these five students, and expect those traveling will represent our school well at these events.

Have a great week!  
Joe Haslem

## AEBSD Scholarship Program 2012-2013 Academic Year

The Aleutians East Borough will continue to invest in your future through a scholarship program. Scholarship awards will be announced in May 2012 for study during the 2012-2013 academic year.

These scholarships are open to **ALL DISTRICT GRADUATES**, regardless of current enrollment status. Applicants need not be currently enrolled in high school or post-secondary studies. This year's program will operate similar to those in the past. Please read the following instructions:

- ❑ Send a letter of application addressed to School Board Members and Advisory School Committee Members asking for scholarship assistance. Include contact information (mailing address and e-mail).
- ❑ Include a maximum of two letters of recommendation from teachers, school administrators, counselors, deans or other officials of your school or place of employment.
- ❑ Include the most current available official transcript of your school work. If fall of 2011 is your most recent available transcript, that will suffice. College students and high school seniors will not have spring grades or transcripts by the deadline, so it is expected that the mid-year grade report is the latest official grades that you can send us. If you are not currently enrolled in school, some report from your employer or counselor would be helpful.
- ❑ Include a 300 to 500-word essay describing your educational achievements, interests, and the career directions you have developed or are considering.

**RAFFLE TICKETS** to raise funds for the annual easter egg hunt are available! Contact Jade or Krista at the City Office for more information and to purchase tickets. 383-2696

Mr. Reilly welcomes students to  
**'Extra Help Saturdays'**.

He will be in his classroom from 9-11:00 every Saturday morning, to help any 5th or 6th grade students with lessons as well as give them an opportunity to make up any missed homework or class work. There will be a Cheerios break at 10:00, and I-Pad free time will be from 10:15-11:00. Mr. Reilly reminds parents that he distributes a grade sheet every Monday, and to drive their child to 'Extra Help Saturdays,' if they feel their child's grades are not satisfactory.
